

**Ganna Walska Lotusland
Hardy Fern Foundation Inventory and Evaluation
6/24/2025**

**5: Best performance
4: Attractive but not thriving
3: Good performance
2: Poor performance
1: Didn't survive**

| Sciname | ACCID | NUMBINV | LOCATION | FAMILY | DATEPLNT | Rating | Notes |
|--|----------|---------|----------------|------------------|------------|--------|--|
| Anisocampium cuspidatum | 2023-121 | 3 | OFG 01 | Aspleniaceae | 6/14/2024 | 5 | thriving in mostly full sun |
| Arachniodes davalliaeformis | 2016-393 | 3 | FGE 01 | Dryopteridaceae | 11/7/2018 | 3 | Thrip damage |
| Arachniodes davalliaeformis | 2021-294 | 1 | OFG 02 | Dryopteridaceae | 10/28/2021 | 3 | |
| Arachniodes standishii | 2008-247 | 3 | FGE 13 | Dryopteridaceae | 8/1/2013 | 4 | Doing great |
| Arachniodes standishii | 2015-071 | 3 | OFG 03 | Dryopteridaceae | 9/21/2018 | 4 | Doing great |
| Asplenium scolopendrium 'Angustifolia' | 2013-198 | 1 | OFG 03 | Aspleniaceae | 10/25/2013 | 3 | Thrip damage |
| Cheilanthes tomentosa | 2015-073 | 1 | LB 01 | Pteridaceae | 10/18/2023 | 4 | Great new foliage, robust. |
| Cyrtomium falcatum 'Butterfieldii' | 2009-137 | 3 | FGE 01 | Dryopteridaceae | 7/28/2011 | 4 | Thrip damage towards end of summer/early fall but plant is large and thriving |
| Cyrtomium falcatum 'Rochfordianum' | 2014-139 | 3 | FGE 01 | Dryopteridaceae | unknown | 3 | Thrip damage |
| Cyrtomium lonchitoides | 2011-111 | 1 | FGE 10 | Dryopteridaceae | 10/3/2012 | 3 | |
| Dicksonia antarctica | 2016-394 | 1 | OFG 03 | Dicksoniaceae | 6/23/2020 | 3 | Tends to get crispy in late summer |
| Dryopteris hondoensis var. rubrisora | 2021-289 | 4 | FGE 13 | Dryopteridaceae | 10/28/2021 | 3 | |
| Dryopteris namegatae | 2018-188 | 2 | FGE 10 | Dryopteridaceae | 10/24/2018 | 2 | not thriving, only found 2 plants |
| Dryopteris pulcherrima | 2016-397 | 3 | OFG 01 | Dryopteridaceae | 9/11/2019 | 3 | Thrip damage |
| Parablechnum novae-zealandiae | 2021-286 | 1 | FGE 04 | Blechnaceae | 10/28/2021 | 3 | Only found 1 plant |
| Phegopteris decursive-pinnata | 2018-190 | 3 | OFG 03 | Thelypteridaceae | 9/11/2019 | 4 | |
| Polystichum makinoi | 2016-398 | 1 | OFG 02 | Dryopteridaceae | 9/11/2019 | 2 | 1 found in poor health |
| Polystichum setiferum | 2018-192 | 3 | FGE 02 | Dryopteridaceae | 9/11/2019 | 3 | |
| Polystichum Xdycei | 2008-249 | 2 | FGE 01 | Dryopteridaceae | 7/28/2011 | 2 | May need more light, growing under a redwood |
| Polystichum Xdycei | 2021-296 | 1 | FGE 01 | Dryopteridaceae | 10/28/2021 | 2 | May need more light, growing under a redwood |
| Pyrrosia shearerii | 2011-112 | 1 | OFG 03 | Polypodiaceae | 10/3/2012 | 3 | Spreading on tufa rock |
| Pyrrosia sp. | 2021-291 | 2 | FGE 13 | Polypodiaceae | 10/28/2021 | 3 | Spreading |
| Woodwardia unigemmata | 2008-250 | 1 | FGE 10 | Aspleniaceae | 7/28/2011 | 4 | Thriving |
| Woodwardia unigemmata | 2012-161 | 3 | OFG 03, 04 | Aspleniaceae | 8/1/2013 | 4 | Thriving |
| Adiantum aleuticum var. subpumilum | 2021-295 | 1 | OFG 03 | Pteridaceae | 10/28/2021 | 1 | Dead |
| Adiantum Xmairisii | 2012-157 | 1 | OFG 04 | Pteridaceae | 8/1/2013 | 1 | Unable to locate |
| Adiantum Xtracyi | 2021-293 | 1 | OFG 03 | Pteridaceae | 10/28/2021 | 1 | Unable to locate, dead |
| Athyrium vidalii | 2018-187 | 3 | FGE 06 | Aspleniaceae | 6/23/2020 | 1 | Unable to locate, died |
| Dryopteris championii | 2021-287 | 4 | FGE 10 | Dryopteridaceae | 10/28/2021 | 1 | Removed for placement of a sign and died at nursery |
| Dryopteris cristata | 2021-288 | 3 | OFG 04 | Polypodiaceae | 10/28/2021 | 1 | Unable to locate tag nor plant |
| Dryopteris affinis 'Crispa Gracilis' | 2017-144 | 2 | OFG 01 | Dryopteridaceae | 9/11/2019 | 1 | Unable to locate, died. |
| Dryopteris felix-mas 'Cristata Martindale' | 2016-395 | 2 | OFG 01, FGE 13 | Dryopteridaceae | 9/11/2019 | 1 | UTL in either location. May have been swallowed by Nephrolepis in FGE 13. |
| Onoclea sensibilis | 2018-189 | 3 | OFG 03 | Onocleaceae | 6/23/2020 | 1 | Unable to locate tag nor plant |
| Polypodium scolieri | 2021-290 | 3 | FGE 13 | Polypodiaceae | 10/28/2021 | 1 | Unable to locate, died |
| Polystichum acrostichoides | 2018-191 | 3 | FGE 10 | Dryopteridaceae | 12/1/2020 | 1 | Unable to locate, died |
| Adiantum Xmairisii | 2023-120 | 3 | Nursery | Pteridaceae | | N/A | At nursery |
| Anisocampium cuspidatum | 2023-042 | 1 | Nursery | Aspleniaceae | | N/A | At nursery |
| Asplenium trichomanes | 2024-133 | 2 | Nursery | Aspleniaceae | 6/14/2024 | 2 | Struggling, 1 dead, 2 moved back to nursery for rehab from OFG 01 |
| Athyrium otophorum | 2023-130 | 3 | Nursery | Aspleniaceae | | N/A | At nursery |
| Blechnum spicant 'Crispum' | 2023-122 | 3 | Nursery | Aspleniaceae | | N/A | At nursery |
| Coniogramme emeiensis 'Golden Zebra' | 2023-123 | 3 | Nursery | Pteridaceae | | N/A | At nursery |
| Dryopteris cristata | 2023-124 | 3 | Nursery | Polypodiaceae | | N/A | At nursery |
| Dryopteris lepidopoda | 2023-125 | 1 | Nursery | Polypodiaceae | 6/14/2024 | 2 | 1 removed, too dry in this location, taken to nursery from OFG 01 |
| Dryopteris stewartii | 2023-126 | 3 | Nursery | Polypodiaceae | | N/A | At nursery |
| Dryopteris sublacera | 2009-147 | 2 | Nursery | Dryopteridaceae | 7/28/2011 | 2 | Plant C dead. Other two taken to nursery for rehab, thrip damage, and being overtaken by neighboring fern in OFG 03. |
| Onychium japonicum | 2023-127 | 3 | Nursery | Pteridaceae | | N/A | At nursery |
| Osmunda japonica | 2023-040 | 1 | Nursery | Osmundaceae | | N/A | At nursery |
| Osmunda japonica | 2023-128 | 3 | Nursery | Osmundaceae | | N/A | At nursery |
| Osmunda lancea | 2023-129 | 3 | Nursery | Osmundaceae | | N/A | At nursery |
| Polystichum otophorum | 2023-041 | 1 | Nursery | Polypodiaceae | | N/A | At nursery |
| Pteris cretica 'Ping Wu' | 2023-131 | 3 | Nursery | Pteridaceae | | N/A | At nursery |
| Woodwardia unigemmata | 2023-132 | 3 | Nursery | Aspleniaceae | | N/A | At nursery |
