

<b>Hardy Fern Foundation Fern List - Powell Gardens</b>						
<b>GENUS</b>	<b>SPECIES</b>	<b>SSP/VAR</b>	<b>CULTIVAR</b>	<b>LOCATION</b>	<b>NOTES</b>	<b>RATING - 1 = Poor/dead, 5 = Great</b>
Adiantum	aleuticum	subpulum		Visitor Center Stumpery Garden	dead	1
Adiantum	aleuticum		Imbricatum'	Visitor Center Stumpery Garden	dead	1
Adiantum	pedatum			David T. Beals III Woodland & Stream Garden	In deep shade, survives with little to no additional water.	3
Adiantum	venustum			Visitor Center Stumpery Gardens	Only a few individuals survive due to heavy mole activity. 13 more plants added spring 2025.	3
Asplenium	scolopendrium		Cristata'	Visitor Center Gardens	Only a few individuals survive.	2
Athyrium	filix-femina	angustum		Visitor Center Gardens	Few plants survive from original planting. Receives little to no supplement watering.	4
Athyrium	filix-femina	Minutissima'		Perennial Garden	Few plants survive.	3
Athyrium	filix-femina	Victoria'		Perennial Garden	dead	1
Athyrium	filix-femina		Frizelliae'	David T. Beals III Woodland & Stream Garden	dead	1
Athyrium	filix-femina			David T. Beals III Woodland & Stream Garden	Few plants survive.	2
Athyrium	filix-femina			Perennial Garden	dead	1
Athyrium	niponicum	pictum	Burgundy Lace'	David T. Beals III Woodland & Stream Garden	dead	1
Athyrium	niponicum	pictum	Burgundy Lace'	Perennial Garden	Few plants survive	3
Athyrium	niponicum	pictum	Regal Red'	Visitor Center Gardens		5
Athyrium	niponicum	pictum	Silver Falls'	David T. Beals III Woodland & Stream Garden	dead	1
Athyrium	niponicum	pictum	Silver Falls'	Perennial Garden	Small colony	4
Athyrium	niponicum	pictum	Wildwood Twist'	David T. Beals III Woodland & Stream Garden	dead	1
Athyrium	niponicum	pictum	Wildwood Twist'	Perennial Garden	few clumps	3
Athyrium	niponicum	pictum		David T. Beals III Woodland & Stream Garden		3
Athyrium	niponicum	pictum		Perennial Garden	Small colony	3
Athyrium	niponicum	pictum		Visitor Center Stumpery Garden	Planted spring 2024.	5
Athyrium	otophorum		Okanum'	David T. Beals III Woodland & Stream Garden	dead	1
Athyrium	otophorum			Visitor Center Gardens	Needs regular watering.	5
Athyrium	unidentified species #1			Visitor Center Stumpery Garden	dead	1
Athyrium			Branford Beauty'	David T. Beals III Woodland & Stream Garden		5

Athyrium			Branford Rambler'	David T. Beals III Woodland & Stream Garden	few plants	2
Athyrium			Ghost'	Perennial Garden		3
Athyrium			Ghost'	Visitor Center Gardens	Receives little to no supplemental watering.	5
Athyrium			Godzilla'	David T. Beals III Woodland & Stream Garden		3
Athyrium			Godzilla'	Visitor Center Gardens	Does well even under a Black Walnut tree.	5
Cyrtomium	caryotideum			Visitor Center Stumpery Garden	dead	1
Cyrtomium	devexiscapulae			Visitor Center Stumpery Garden	Planted spring 2025. Hardy Zone 6/7	*
Cyrtomium	falcatum			Visitor Center Stumpery Garden	Planted spring 2025	*
Cyrtomium	fortunei			Perennial Garden	few plants	2
Cyrtomium	fortunei			Visitor Center Stumpery Garden	Planted spring 2025	*
Cyrtomium	lonchitoides			Visitor Center Stumpery Garden	AFS spore source. Reliable performer. Plants are smaller in relation to the BPS spore source plants of this species.	5
Cyrtomium	lonchitoides			Visitor Center Stumpery Garden	BPS spore source. Reliable performer. Plants are larger with a different textured leaf as compared to the Cyrtomium lonchitoides from the AFS spore source. Correctly identified?	5
Cyrtomium	macrophyllum			Visitor Center Stumpery Garden	Seems to do well in our climate.	4
Cyrtomium	unidentified species #1			Visitor Center Gardens	From Chengdu, China - AFS Spore Collection. Reliable grower each year.	5
Dryopteris	atrata			David T. Beals III Woodland & Stream Garden	dead	1
Dryopteris	carthusiana			David T. Beals III Woodland & Stream Garden	dead	1
Dryopteris	celsa			David T. Beals III Woodland & Stream Garden	few plants	2
Dryopteris	championii			David T. Beals III Woodland & Stream Garden	dead	1
Dryopteris	championii			Visitor Center Stumpery Garden	few plants	2
Dryopteris	cristata		ex. Whitehall, KY	Visitor Center Stumpery Garden	1 out 3 survived	2
Dryopteris	dilatata			David T. Beals III Woodland & Stream Garden	dead	1
Dryopteris	erythrosora		Brilliance'	David T. Beals III Woodland & Stream Garden	dead	1
Dryopteris	erythrosora		Brilliance'	Perennial Garden	few plants	3
Dryopteris	erythrosora		Brilliance'	Visitor Center Gardens	Planted 2024. All plants survived first winter	5
Dryopteris	erythrosora			David T. Beals III Woodland & Stream Garden	dead	1
Dryopteris	erythrosora			Perennial Garden	dead	1

Dryopteris	filix-mas		Linearis Polydactyla'	David T. Beals III Woodland & Stream Garden	dead	1
Dryopteris	filix-mas		Linearis Polydactyla'	Perennial Garden	dead	1
Dryopteris	filix-mas		Undulata Robusta'	David T. Beals III Woodland & Stream Garden	dead	1
Dryopteris	filix-mas			David T. Beals III Woodland & Stream Garden	Planted in 1999. Several plants survive	3
Dryopteris	goldiana			Perennial Garden	Large patch	5
Dryopteris	hondoensis	rubrisora		Visitor Center Stumpery Garden	Planted spring of 2024. 2 of 3 plants survive.	3
Dryopteris	hondoensis			Visitor Center Stumpery Garden	Plants from Hardy Fern Foundation planted spring 2025	*
Dryopteris	yigongensis			Visitor Center Stumpery Garden	Plants from Hardy Fern Foundation planted spring 2025. Kew regards this as a synonym of Dry. Lepidopoda	*
Dryopteris	nipponensis			Visitor Center Stumpery Garden		4
Dryopteris	pseudofilix-mas			David T. Beals III Woodland & Stream Garden	Planted in 2006. Few plants survive	3
Dryopteris	tenuicula			Visitor Center Gardens		5
Dryopteris	tenuicula			Visitor Center Stumpery Garden		5
Dryopteris	ramosa			Visitor Center Stumpery Garden	The earliest to sprout in the spring and grows well.	5
Dryopteris	sieboldii			Visitor Center Stumpery Garden		4
Dryopteris	sublacera			Visitor Center Stumpery Garden	dead	1
Dryopteris	x australis			David T. Beals III Woodland & Stream Garden	dead	1
Dryopteris	x australis			Perennial Garden	Very few alive	2
Dryopteris	x australis			Visitor Center Gardens	Grows well with supplemental summer watering	5
Dryopteris	stewartii				Planted spring 2025	n/a
Dryopteris	wallichiana		Jurassic Gold'	Visitor Center Stumpery Gardens	Planted spring 2024. Few plants survived first winter with no additional protection.	2
Onoclea	struthiopteris			David T. Beals III Woodland & Stream Garden	Original plantings dead. New group planted spring 2024	3
Onoclea	struthiopteris			Visitor Center Stumpery Gardens	Planted 2024. All plants survived first winter	5
Onoclea	sensibilis			David T. Beals III Woodland & Stream Garden	Few survive	3
Onoclea	sensibilis			Horticulture Cabin	Grows well with no supplemental summer watering and some direct sun.	5
Osmunda	lancea			Visitor Center Stumpery Gardens	Plants from Hardy Fern Foundation planted spring 2024. 3 more plants added spring 2025.	n/a

Osmunda	regalis		Purpurascens'	David T. Beals III Woodland & Stream Garden	dead	1
Osmunda	regalis			Visitor Center Stumpery Garden	Six year old plants doing well with additional summer watering.	5
Osmunda	regalis			Perennial Garden	dead	1
Osmunda	claytoniana			Visitor Center Gardens	Six year old plants doing well with additional summer watering.	5
Osmunda	japonica			Visitor Center Stumpery Gardens	Plants from Hardy Fern Foundation planted spring 2024. Survived first winter with heavy mulching.	4
Osmundastrum	cinnamomeum			David T. Beals III Woodland & Stream Garden	dead	1
Osmundastrum	cinnamomeum			Perennial Garden		4
Osmundastrum	cinnamomeum			Visitor Center Gardens		4
Polystichum	acrostichoides			David T. Beals III Woodland & Stream Garden	dead	1
Polystichum	luctuosum			Visitor Center Stumpery Gardens	Planted spring 2025	n/a
Polystichum	setiferum		Plumosomultilobum'	David T. Beals III Woodland & Stream Garden	dead	1
Polystichum	setiferum			David T. Beals III Woodland & Stream Garden	dead	1
Polystichum	setiferum		Rotundatum Cristatum'	David T. Beals III Woodland & Stream Garden	dead	1
Polystichum	polyblepharum			Visitor Center Stumpery Gardens	Many planted but few remain.	2
Polystichum	xiphophyllum			Visitor Center Stumpery Garden	dead	1
